

# Creative Choices available 2010

We have developed **fun interactive training sessions** for individuals with a learning need.

These will take place **as half day workshops** where students can learn new skills, basic literacy & numeracy through creative, artistic activities, gain confidence, meet new friends and have fun in a supportive atmosphere

We need your talents, your time and your drive to make quality products

Card Making

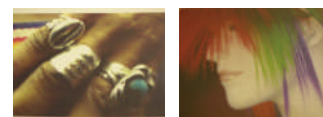

Visual Arts

Photography

Making Puppets

Style yourself
