

We have reached 21 years. Can you help us reach 50?

Become a friend of Vision 21, you can make a difference

We are a local charity that continues to respond to the vocational training requirements of people with learning needs.

We have not changed our ethos, values or principals since we first opened our (then) garage doors, on a cold December morning in 1987. What has changed is our size. We offer a diverse range of learning opportunities and currently provide over 350 vocational training sessions each week.

Our expansion across some 16 social enterprises presents different challenges today, particularly the complexities of funding such a progressive organisation as ours.

We are seeking support from the many friends of Vision 21 to help continue the success of the organisation for the future.

We are asking you to support us, a local charity, in the same way as many national charities raise support, through regular monthly donations. All money raised will go towards student training and independent living. **Every penny raised this way goes directly to helping the students, we take no administration fee.** Our target is to have a thousand friends, each giving a small donation every month; this has the potential to raise thousands of pounds for Vision 21 over a year.

We will offer you the chance to be kept informed of the progress of our students and you will also receive discounts to purchase the goods made by our students.

Thank you for taking the time to read this leaflet which gives you a chance to be a friend to an organisation that really does make a difference to people's lives. If you would like to make a regular donation please complete the form overleaf and return it to us.

Thanks to the Government's Gift Aid scheme, Vision 21 (Cyfle Cymru) is able to reclaim the tax on any donations that you make.

If you are a UK taxpayer the Government will give us 28 pence for every £1 you give. So if you give £10 with Gift Aid it is actually worth £12.80 to Vision 21 (Cyfle Cymru) – and it won't cost you an extra penny.

All we need you to do is to tick the box that applies to you and then sign below. This will confirm that the amount of tax you pay on your salary, pension or investments is equal to or greater than the tax that we'll reclaim on your gifts.
