

**Vision 21 (Cyfle Cymru) Summer Scheme 2009 aims to:**  
 Offer stimulating vocational training opportunities which are relevant to young people with disabilities approaching adulthood (aged 14—21).

**This year we are able to offer 40 individual placements which will:**

Offer a 5 day free placement to each individual between Monday 19th July till Friday 27th August 2010

Provide and arrange free taxi transport, if required.  
 Gather written and photographic evidence of work undertaken, in the form of a Summer Scheme Diary.

Open days will be held on Thursday 3rd June at Sbectrwm and Friday 4th June at Fieldway.  
 Times will be from 10am—10.45am  
 12am –12.45pm & 2pm—2.45pm

If you are interested in attending the summer scheme and would like to book a visit to help you to decide on whether it is right for you please contact :

The Vision 21 (Cyfle Cymru) Summer Scheme 2010 could be for you!

Would you like to do something interesting during the Summer Holidays?

Learn new skills, meet new people and consider options for when you leave school?

Our 2010 Summer Scheme is offering 5 free training days specifically for young people with learning needs between the ages of 14 and 21

(Please note that priority will be given to new students).

# Vision 21 (Cyfle Cymru) summer scheme projects...

## Projects in Cardiff & The Vale

### Information Technology

Offering an introduction to basic IT skills at Fieldway. Useful for both home and work including Microsoft Office packages such as Word, Access and Excel as well as use of email and the internet.

### Woodwork

Try your hand at woodwork skills from our Fieldway or Skomer workshops. Learn wood skills in a safe and empowering environment.

### Catering

Learn about food preparation at Fieldway Kitchen or Gegin Fach café where you will be introduced to a range of catering skills which are directly transferable to a catering work environment

### Fairwater Community Garden

Students are introduced to a range of organic gardening processes within an environmentally friendly community project.

### The Oaks Garden Nursery

Offers more commercial horticultural experience in a realistic commercial nursery setting

### Fairwater Pottery

Offers students the opportunity to explore the wonderful and exciting medium of clay. Work with others, develop your creativity, and learn to make hand built ceramic items.

### The Card Project

Learn to make hand made cards for all occasions using a range of professional creative and artistic techniques

All students acquire valuable transferable soft skills such as patience, concentration, hand to eye coordination and manual dexterity, as well as elements of literacy and numeracy. They also receive an induction, appropriate health, safety, hygiene and welfare guidance.

### TAM

Our Training and Mentoring project will be offering a range of opportunities to develop independent, healthy living, and life skills in small group settings.

## Projects In Newport Conservatory Tea Rooms at Belle Vue Park

Offering Catering Training as well as serving to the general public in the beautiful setting of Belle Vue Park.

### ROOTS ALLOTMENT PROJECT

Learn to prepare beds, plant and cultivate vegetables & plants using organic principles, and box vegetables for the general public.
